

Ysgol Southdown Parent Partnership

Summer Term Newsletter

July 2024

We are so excited to write our Summer Term Parent Partnership Newsletter! Not only because we have so many wonderful things that have happened to develop our partnership over the last term, but we have also had some big news...

We have achieved the Leading Parent Partnership Award!

This is a huge achievement for our School, and it couldn't have been achieved without your involvement. Our assessor, Emma Symonds was amazed by all of the changes that have been made and we are so excited to continue our Parent Partnership journey with the support of this award.

What have we been up to this term?

- Can Cook Well Fed have launched a Mobile Shop on our Yard. This has returned every Tuesday, and it has been wonderful to see Parents, Staff and our Community buying lovely meals and ingredients for affordable prices! Blasus iawn!
- We have had lots of new signage in our School Entrance and have updated our Main Entrance – we hope you have noticed the little changes we have made to make the space more welcoming.
- A Strength in Numbers Workshop was held every Friday afternoon for Parents and Children in Years 4-6.
- Transition Information Sheets have been sent out again this year following your wonderful feedback on them last year.
- Year 5 Parents and Children visited Buckley Library.
- We have been using Twitter (X) to share exciting things we have been doing. We hope to increase this even more in the new school year! Make sure to give us a follow - @SouthdownCP
- Teachers have continued to create a termly newsletter full of personalised information for your child's year group.
- Teachers have continued to create home learning sheets for family fun at home. A big thank you to those that take part in the activities the teachers plan, we love to see what you get up to! Keep sharing this on Seesaw, Dojo and Twitter.
- Wellies in the Woods has run over the past few months for Reception, Year 1, Year 2 and Year 3. Completing lots of lovely forest school activities with their parents. A big thank you to Groundworks for organising this!
- Nursery and Reception Information Evenings were held for new parents. This was a lovely opportunity to find out a little bit more about new year groups but to also meet the staff and have a look at where their children will be learning next year. The evenings were a success, and it was lovely to see so many parents come. Diolch!
- We held a Nursery Stay and Play for new parents.

Parent Partnership Policy

Over the year, we have been working on a parent partnership policy! This has been created from all of your feedback that you have provided over the year. We are so excited to share this with you in the new school year. Make sure to keep an eye out in September!

We would like to say a **HUGE** thank you for your continued support this year. We have loved improving our partnership with you so far and this is only the beginning! We are looking forward to a new school year where we hope to continue to develop and improve our Parent Partnership even more with your help.

As always, we welcome your views, opinions, and suggestions! Please speak to Miss Phoenix, Mrs Evans or any member of staff to share your thoughts. 😊
